

9 1/2" Filler Plank x 1 1/2" deep
Item# VLFP9.5-24

9 1/2" Plank x 1 1/2" deep
Item# VLP9.5-24

6" Plank x 1 1/2" deep
Item# VLP6-20

5" Toe Board x 1" deep
Item# VLT5-16

1.9" O.D. x .125/.200 wall
1 1/2" Diameter Schedule 40 or 80 Aluminum Pipe
Item# ALT SCH40/80

Full Clip Item# FC

Half Clip Item# HC

Patented Versa Light™ Plank System

The Versa Light™ Plank System has many application options and can be used in conjunction with tube & clamp scaffold, systems scaffold, frame scaffold, and bleachers as well as offering the versatility of custom applications. The Versa Light™ Plank is a proven and reliable system and is in use at nuclear generating facilities, in the entertainment industry as well as the industrial sector.

Advantages: EXTREMELY STRONG AND LIGHTWEIGHT • PATENTED T-SLOT PLANK ALLOWS FOR SINGLE AXIS CONNECTION ALONG ITS ENTIRE LENGTH FOR FUNCTIONALITY AND UTILIZATION • AVAILABLE IN VARIOUS LENGTHS • NON-SLIP SURFACE AVAILABLE IN A NUMBER OF AGGRESSIVE TEXTURES AND IS PEEL AND STICK REPLACEABLE
